DAKENLO

St. Fleur

Preschool

I live in the town of Cayes-Jacmel, Haiti with 8 family members. I sometimes attend a school called Kay Dimé and try my best to be a good student. School fees, books and uniforms are expensive and sometimes my family cannot afford all the fees. I frequently have ear infections and the doctors hope to be able to correct this soon. I am a serious young man, but when I do smile, it makes others smile too.
